

EAST AFRICA

RUBBER STAMP & PRINTING LIMITED

COMPANY PROFILE

EAST AFRICA RUBBER STAMP AND PRINTING COMPANY LTD

is a TANZANIAN registered Company under Companies Act specializing in printing works in Dar es Salaam.

East Africa Rubber Stamp and Printing Company Limited looks after all facets of your print project from initial planning and design, through the print process and onto bindery services. Our latest offering is our wide-format printing service. With our 60-inch eco-friendly printer we are now able to offer indoor/outdoor banners, posters, pull-up displays, decals, custom shapes, lettering and gallery-framed canvas prints.

We are customer focused and strive to provide best quality advertising works to our customers for their complete satisfaction through on time delivery and at highly competitive rates.

We can deliver all types of print projects in any quantity both in ad-hoc or contract basis.

Our experience in design and printing works has also led us to venture into having a full-fledged services that cater for designing print projects, printing processes and framing works for the printed jobs. We operate and provide services to all customers in Tanzania and flexible enough to support fulfilment of the customers requirement of the print projects anywhere in the Country.

ABOUT US

Since **East Africa Rubber Stamp and Printing Company Ltd** has provided quality print services that meet the needs of their discerning customers. To this day, we continue to offer exceptional customer service, coupled with qualified staff utilizing state-of-the-art hardware/software and a commitment to customer satisfaction. Our business is located at Magomeni Mapipa Area Kinondoni busy District in the City of Dar Es Salaam.

OUR Printers has key personnel that had ensured the success of the Company since its inception. As technology advances, so do we. Our knowledge of traditional printing AND desktop publishing allows us to determine which printing option best suits your needs.

We digitally create everything with the latest in computer hardware and software. From PC to MAC, Adobe SUIT, Corel Draw, Quark Express, 3D Studio Max and many more! One of our most-used techniques when printing large quantities. We print the artwork on a metal plate, then use it on the Press to print up to 10,000 copies per hour. Utilizing high speed digital printing in both REGULAR and WIDE FORMAT techniques.

OUR CUSTOMERS

We provide services to the business community be public and private businesses including institutions that are keen seeing their customers and clients are well informed about their products and services. With globalization information is power and dissemination of the same is crucial through various means including printouts and internet services.

OUR VISION

To becoming the best local Tanzanian printing company that give the best wanted services and products to our customers.

OUR TEAM

Our team collectively has international trade and printing experience and accord careful personal attention for every assignment. We have exceptional procedures in place to facilitate efficient designing, printing, delivery and shipment of services and products to the end user customers.

The Company has also a good team of technicians who can design and produce framing works for the canvas print works and place them as may be directed by the customers. The team can directly take care of your specific requirement in an honest and full transparent way in everything we handle.
